

# ASchool Success – Regular Attendance

## WHAT YOU CAN DO

**Work with your child and his/her teacher to help your child develop strong attendance. Your enthusiasm is a big boost to success.**

### Talk about it – sing about it – make it an adventure!

- Set a regular bed time and morning routine
- Lay out clothes and pack backpacks the night before
- Share ideas with other parents for getting out the door on time

### Before the school year starts:

- Find out what day preschool starts and start the exciting count down!
- Make sure your child has the required shots.
- Attend orientation with your child to meet the teachers and classmates.

### Ready – Set GO!

- Develop back-up plans for getting to preschool if something comes up
- Ask family members, neighbors or other parents to lend a hand if you need help dropping off or picking up your child
- Schedule medical appointments and extended trips when preschool is not in session
- If your child seems anxious about going to preschool, talk to the program director, teacher, your doctor or other parents for advice. If the problem persists, make sure the program is a good fit for your child.

**Help Your Child Succeed in School:  
Build the Habit of Good Attendance Early**  
School success goes hand in hand with good attendance!

## DID YOU KNOW?

- Starting in kindergarten, too many absences can cause children to fall behind in school.
- Missing 10 percent (or about 18 days) can make it harder to learn to read.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

**Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and at work.**
